Appendix

Every line item in the \$500,000 ask, fully itemized.

Founder salary	\$168,000
\$150,000 base + \$18,000 benefits, 12 months.	
Part-time contractor	\$112,000
≈2/3 of founder salary. Dedicated to maker discovery — running in-person markets, sitting with maker communities, building case studies.	
Maker discovery	\$100,000
Quarterly in-person beginner markets in San Diego (permits, venue, food) + paid pilots with non-developer tinkerers. No paid acquisition until year 2.	
Running costs	\$90,000
Legal + accounting + banking + Anthropic API + SF trips (3 months living, weekly flights home) + Industrious office (\$332/mo) + Claude Code (\$200/mo) + Vercel + PlanetScale + Stytc + GitHub.	
Monthly community events	\$20,000
Food + space for 12 monthly meetups — devs and makers in the same room.	
Reserves	\$10,000
Small cushion for unexpected costs.	
Total	\$500,000
